ENROLMENT PROCEDURE

1. Students will need to approach the School or one of our registered agents and will be given detailed information about the programme, entry criteria, subject options, facilities, the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021, and fees. This information is provided by means of our handbook or internet website.
2. Students read the conditions of acceptance and sign the Enrolment Form/Tuition Agreement. Students must supply full information including the start date of the course, contact details, and emergency contact details.
3. Optional: Students may be sent a conditional letter of offer for the programme. On this offer, it will be clearly stated what documents (e.g. IELTS, TOEFL certificate, academic record) need to be supplied in order for the final (unconditional) letter of offer to be issued.
4. Students forward the required documents to the School. Only originals or certified copies will be accepted. Once the documents have been sighted and verified by the principal, the letter of offer is issued. An invoice of course fees will also be sent.

Students will be required to complete an assessment on arrival at Business College to ensure that their study plans and career intentions match the course being offered. For English programme, students will be required to complete an entry test to assess their English level.
(Notes: For an offer of a place that is subject to English Language proficiency, students must show evidence of achieving the appropriate level of English for the course they are enrolling on which can be from either of the following tests: IELTS score of 5.5 with no band score lower than 5, or a TOEFL score of 500.)

CODE OF CONDUCT & TERMINATION OF ENROLMENT

Students are expected to attend 100% of their classes on time.

All students must comply with Business College's published rules and regulations (which can be found in the Student Handbook).

Students who breach the School's published rules (this covers conduct when the students are not under the immediate supervision or control of Business College), e.g., whose attendance does not meet Business College requirements, or whose behaviour is detrimental to the college or to other students will receive warning letters and may be withdrawn as per Business College's published attendance procedure. In this case, we regret that no tuition fees can be refunded. The School will also notify Immigration New Zealand regarding the change in circumstance and their visas may be withdrawn.

BREACH OF AGREEMENT & DISCIPLINARY PROCEDURES

When considering all disciplinary action, Business College will apply the principles of natural justice to ensure a fair resolution.

Without limitation, the following disciplinary procedures will apply when a student fails to comply with Business College's published policy:

- When a student first engages in misconduct or has performance issues while attending the course, a verbal warning will be given. If the student fails to improve his/her behaviour, a written warning will be issued by the Director. If the student persists with the offending conduct after a second written warning, the School may suspend or expel the student at its discretion.
- Students engage in serious misconduct, such as using drugs or alcohol on the premises during course hours, coming to class under the influence of drugs or alcohol, and causing harm (mental or physical) to any staff or other students while attending the course, may be suspended and/or expelled immediately depending on the seriousness of the incident. This will happen as long as the School has been acting in good faith, being fair and equitable in following its disciplinary process, and believes there are reasonable grounds for dismissal.

LIABILITY & INSURANCE

Business College will not be liable for any loss, damage, or injury incurred within the college, with a homestay family, or on a college trip or excursion.

In no event shall the School's liability exceed an amount equal to the amount of tuition fees paid by the Student.

The college is able to arrange insurance for students' health and personal property on request. International students are required to have medical insurance under the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021. Furthermore, the college strongly advises that students have personal property insurance for any unexpected damages or losses of their personal items. Students will be responsible for any costs not covered by insurance.
